#### Third World Newsreel:

- Still waiting to see if a student will be interested in interning at TWN
- Rufus and Kelly giving talk at TWN workshop on Wed 11/14

#### First step:

- Getting shelving and re-boxing collection
- Trying to get items donated- no budget
- Get provenance on items- how long have they been stored in current location, where were they before

Kelly is going to TWN office to run numbers on database

- Plan to look for important titles that may aid in drawing attention to potential funding avenues- look into potential grants
- Box donations?
  - Archival- pretty difficult
  - Regular boxes- boxes in good shape at least
  - Go to org that is upgrading cans and boxes and see if they'll donate used items- MoMA? AMIA-L? Problem in convincing people.

Try and collect items at AMIA, and ask around

Create a list of people to contact about items: Evelyn?

- Will set up Googledoc for draft work proposal
- Plan on touching base with TWN after Thanksgiving
